Autumn Term Issue 3 18th September 2015

Dear Parents/Carers

We were delighted that so many parents were able to join us for our Meet the Teacher evening on Wednesday. Mrs Bowden's presentation was very well received and it is great to know that we will have your support in promoting Growth Mindset this year – it will be very powerful if we are all giving the children the same messages. We are really looking forward to seeing the impact on learning.

Yesterday I was really pleased to join Year 5 on their visit to the Thame Show. The children were a real credit to the school and their performance in the Thame Schools Choir was uplifting. It was wonderful to see what can be achieved by the schools working together. Many thanks to the Thame Show organisers, who worked so hard this year to accommodate the children and make the visit exciting and to Julie Turner for teaching the children the songs in school. I would also like to thank Helen Walker for bringing the choirs from all the different schools together as a single effective and inspirational choir.

Kind regards

Sue Stamp

COLLEGE FARM AWARD

Many congratulations to Claire Morris and Debbie Berrell from The College Farm. Yesterday they were awarded the Farm School Partnership Award at the Farming and Countryside Education National Award Ceremony. We are so lucky to have this facility available for use by our children!
