Spring Term Issue 20 18th March 2016

Dear Parents/Carers

I am delighted to be able to tell you that Mr and Mrs Bowden welcomed their baby daughter, Ivy-May, on Sunday evening. She is beautiful, of course! I am sure you will join me in sending our congratulations to the Bowden family.

I have also visited Mr Poote. He is feeling much better and hopes to be back, part time initially, after Easter, which is more great news.

Work has begun this week on our lottery funded ponds and stream behind the bottle greenhouse. We are looking forward to developing this as our next wildlife area.

Yesterday and today I am away from school, taking part in the Buckinghamshire Academy of School Leaders annual conference. I hope to return inspired and with great ideas for moving the school forward!

Kind regards
Sue Stamp

PACKED LUNCH ISSUES

Can you please check your school meal orders carefully and ensure that your child has a packed lunch if they are meant to. We have seen an increasing trend in missing lunches and are struggling to cover this.

HEAD LICE

We have had a number of reports of head lice recently, in various year groups. Please check your child's hair and treat if necessary. Thank you.
