Autumn Term Issue 2 23rd September 2016

Dear Parents/Carers

I would like to thank Mr Pooté this week, who has created some wonderful new Values pictures featuring Long Crendon pupils. These are currently being hung – please do come along to the entrance hall and have a look at them. It is great to see our own children displaying the values which we promote. In assembly today we saw some presentations from Key Stage 2 children about what Resilience and Determination mean to them. Look out also for the folder in the entrance hall containing some lovely examples of homework.

Best wishes

“Katie Croft Baker and I are raising money for cancer research because our parents are doing the Shine Marathon this weekend.

We will be selling ice creams at the school gate this afternoon.

If it happens to be cold and you don't fancy ice cream, donations will be gratefully appreciated!”

ENERGY CHAMPION NEEDED

As a school we are committed to saving energy from both an eco impact perspective and to reduce our fuel bills. The Eco Working Group and Premises committee are keen to see what impact the biofuel boiler has had on our fuel usage and also ways we can improve efficiency within the heating and hot water systems in school. We are also looking for someone to support with checking how much energy the wind turbine is generating. If you feel that you can help, please contact the school office.

Thank you

FOREST SCHOOL AREA

Debbie Berrell is marking out the new Forest School area with the children at the bottom of the field. Some -well about 12 - small stakes or posts are needed to provide a temporary fence to prevent the plants being mown or walked on until they are sufficient size. Debbie needs stakes or posts that are at least 30cm high, to attach line to. If you have any of these in your sheds, or wish to donate such, please contact Debbie via the school office.
