

Long Crendon News

Our values this half term are Resilience and Determination

Please don't forget to use easyfundraising.co.uk and earn funds for our school!

Autumn Term Issue 6 3rd November 2017

As a maintained school, from time to time we may carry signposting information about organisations offering goods or services that may be of interest to members of the community. This is a community service and does not constitute an endorsement of the goods or services by the school.

Dear Parents/Carers,

It's been another busy week and I have enjoyed seeing children out and about around the school. Today Year 1 were measuring the playground and corridors in strides. They were super keen and very focused on their tasks. Yesterday I was in Walnut Class at the end of the afternoon and I was very impressed with their tidying up – well done Foundation! I look forward to seeing you at our annual fireworks tomorrow night.

Very best wishes

Sue Stamp

SETTING UP A NURTURE ROOM

Mrs Fleming is in the process of setting up a Nurture Room to help us to support the well being of our Long Crendon children. She has worked hard with the staff to clear and organise the room (the old teacher study) and has already been given two very nice sofas, and is on the lookout for some additional items:

“Any spare cuddly toys, throws, cushions, pictures, games, hand puppets or similar would be amazing. Also, any children's books, posters and if anyone has some spare mugs and plates for our little kitchen corner, that too would be fab.

We are hoping to work creatively and so if anyone had some wool, pencils, crayons or stickers we could provide a welcoming home!

Our aim is to provide an atmosphere that is less like a

classroom and is a comfortable space in which children can play, learn and explore.”

Thank you
Mrs Fleming

WEAR IT WILD DAY!!

We had a great day with our many wild animals!!! The children loved showing off their costumes and gaining an understanding of WWF in assembly. As a school we managed to raise £214.50!!! Well done to everyone that really went the extra mile with costumes, face paints, etc - some children were unrecognisable!!

SPORTS NEWS

The Year 5 & 6 Netball teams (boys and girls) played against Brill just before half term. They all played with great determination and resilience in the drizzly rain, and enjoyed refreshments together afterwards. The A team beat Brill 2 - 0. The B team beat Brill 4 - 1.

The Netball teams then played in the Festival at Waddesdon on Oct 31st. There were 13 teams playing and these were divided into 3 pools.

Again both teams played with amazing determination and cooperation, showing the values of kindness and honesty as they played.

Both teams came 2nd in their pools.

Well done Netballers!

DIARY DATES

NOVEMBER

Sat 4 th	PTA Fireworks
Mon 6 th	Open morning for parents of children due to start school in Sept 2018 9.15am
