Dear Parents/Carers,

After the snowy start to the week the race was on to fit in all the rehearsal time we needed for the Christmas concerts. The KS2 concert took place on Wednesday night when the children played to a packed house - they were amazing! I think special thanks are due to Mr Lee of XYZ Music Academy, to Mr Hamilton and to all the peripatetic music teachers for the excellent music performances. We are so lucky to have such dedicated and talented people working with our children. We are now looking forward to this morning's KS1 performance.

Mrs Salt will be on secondment to another school next term as part of her teacher training course. We wish her every success – we will miss her very much!

YEAR 4 COMPETITION WINNER

Congratulations to our Year 4 pupil, who has won a (second!) in the Arsenal Junior Gunners football competition. His prize is a Christmas party at the Emirates Stadium, with a chance to meet some of the players. We look forward to hearing all about it in the New Year!

APPROACHING DOGS OUTSIDE THE SCHOOL GATES

A number of parents bring their dogs to school and leave them tied up outside. It's a lovely thing to be able to walk the family dog up to school and we don't want to discourage this. I would, however, just like to ask parents to remind the children to be kind and respectful in approaching dogs outside. It's important that children are aware that they shouldn't approach dogs they don't know, especially when they're tied up. Please ask the owner's permission before petting a dog.
