Spring Term 9th March 2018

As a maintained school, from time to time we may carry signposting information about organisations offering goods or services that may be of interest to members of the community. This is a community service and does not constitute an endorsement of the goods or services by the school.

Dear Parents/Carers,

The installation of the new library is almost complete and an initial book sort is underway. Many thanks to Ms Jennings, who organised a very successful book swap on World Book Day (and came in on her day off to ensure it ran smoothly). As always, there were some great costumes!

On Monday the installation of some new fire doors begins – it is likely to be a noisy week, but will be a huge improvement for the school. There may be days when this work affects some access routes around school. Please look out for information.

Very best wishes

Sue Stamp

PARKING

Unfortunately there has been a spate of inconsiderate parking around the school recently. Sue Jones, our PCSO, has asked that anyone seeing cars parked dangerously, or blocking driveways, should photograph the car and send the picture to her (with the date and time of the incident?) and she will follow it up.

suzanjones@thamesvalley.pnn.police.uk

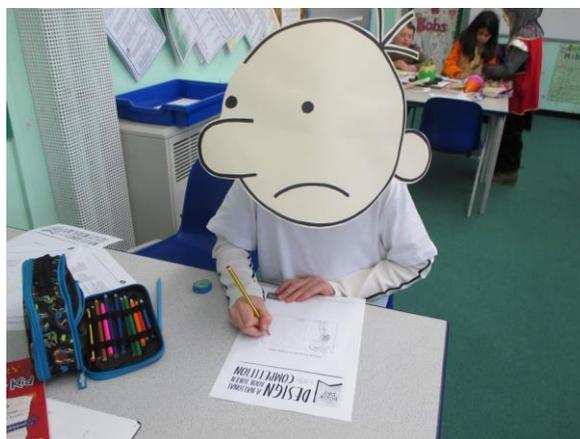

A number of people are also driving into the school car park at various times of the day to pick up or drop off children. Only disabled drivers are permitted to do this. If there are special circumstances (e.g. a temporarily disabled child) please see Mrs Leith, otherwise please do not drive onto the school grounds!

QUIZ NIGHT POSTPONED

Unfortunately the Quiz Night which was planned for 16 March is to be postponed. We'll send round a new date and ticket information soon.

Sorry for any inconvenience, and we hope to see you all there when we fix a new date!

MACMILLAN HOSPICE APPEAL

George and Henry Holton are trying to make a difference and support Douglas Macmillan Hospice who recently cared for their Nana who we lost to pancreatic cancer on the 1st of January this year. Their goal is to raise £50 to help them continue their important work, and I'd really appreciate it if you could help by sponsoring them through my Supporter page. To give to my page, or to read more about why we're doing what we're doing, please visit:

It would also be great if you could spread the word about what we're doing by sharing the link above with your friends and family. The more people that know, the more money we can raise!

Thanks in advance for your generosity - it means a lot!

BERNWOOD SCOUTING GROUP

1st Bernwood Scout Group ask for your help and support. Scouting is one of the few mixed youth organisations in the local area and we are hugely proud to be part of the broader Scouting movement.

We are a vibrant and growing group comprising 136 young people; across our two Beaver Colonies; three Cub Packs and two Scout Troops. We are based in two locations - Long Crendon and Dinton -

and meet regularly during the week. There are possibly 1st Bernwood members within your school community.

Scouting is all about fun, adventure and developing skills for life and we need adult volunteers to help make this a reality and grow the group.

We currently have a waiting list of 73 young people to join us and the waiting list continues to grow. It is only by bringing on new adult volunteers will we be able to reduce the size of the waiting list and support the young people.

If you are interested in volunteering, please contact
