Autumn Term 5th October 2018

As a maintained school, from time to time we may carry signposting information about organisations offering goods or services that may be of interest to members of the community. This is a community service and does not constitute an endorsement of the goods or services by the school.

Dear Parents/Carers,

We have some special events lined up for this term (see below), which I want to share with you so you can save the dates – we hope as many of you as possible will be able to come along!

Thanks to everyone who attended the wellbeing information evening last night and to Mrs Fleming and Mrs Bowden for running it. If you were not able to attend, but would like to know more, there are some information leaflets on the sign in desk in the entrance hall.

Very best wishes

Sue Stamp

30th October – Onesie upon a time...

Children from FS, Y1,Y2,Y3 and Y4 are invited to return to school in their pyjamas, with their parents, for a cosy hot chocolate and bedtime story session. Bring a mug, a pillow and your favourite book. The teachers will read a story and then parents will have a chance to read aloud to their children. Families read together! 5.45 – 6.45

20th November – Phonics Information Evening

For all parents

As part of our focus on improving spelling, an introduction to understanding phonics, the phonics vocabulary used in school and how to correctly pronounce the sounds. (CUH AH TUH = cuhahtuh, not cat!) We hope that parents of older children will also attend this evening .

Monday 19th November to Friday 23rd November

Writing week

We will be having a writing focus week and would love to have visitors come in and talk to the children about how writing is relevant to the job they do. Are you a police officer who has to write reports or take statements, a journalist, a councillor, an office manager, a football trainer, an author etc etc – or do you know someone who is...? Volunteers very welcome! Please contact Ms Jennings via the school office

GROW TALL STEPS

Do you know of anyone who has an old baby step lying around at home that they no longer use, we'd really appreciate it for the cloakrooms to help the smaller children to reach their pegs!

PTA NEWS

Class Coin Challenge Update

Last Friday's Challenge was proof that a penny can go a long way with the children creating a line of coins 217.08 metres long – that's almost twice the length of a football pitch! Congratulations to Year 6, who produced the longest line of coins at 47.30 metres long – or almost twice the length of Thame swimming pool. Thank you to all the parents and children who supported the Challenge, which raised an impressive £521.22 for the school – simply by collecting loose change!

Get ready for the Big Bang

Roll up, roll up, because tickets for the school firework display will be on sale from next week. This year's event will be held on Saturday 3rd November from 4.45pm so do please save the date and join us for the biggest display yet! Class reps will also be contacting parents shortly looking for volunteers who are key to making the event a success; whether that's serving mulled wine, selling glow sticks or being a steward - any help you can offer, no matter how small, will be hugely appreciated!
