World Book Day!

New books added to the library!

We celebrated World Book Day with a parade of fabulous book-themed costumes and the addition of a large number of new books added to our library, thanks to a generous anonymous donation and the assistance of The Book House in Thame. All the new books are currently in the same place in the library to enable the children to find them easily.

SPORTING NEWS YEAR 2 BADMINTON

Eight year 2's took part in a Badminton Skills Festival at Waddesdon Secondary School. The different stations tested their hand and eye coordination and their racket coordination and control. Much focus and determination was needed in order to score as many points as possible. The team worked well together, had smiles on their faces and came 2nd. Well done Year 2's!

YEAR 5 & 6 BASKETBALL

Having come 1st in the last Competition the Year 5 & 6 team went on to play other winning schools at Buckingham Secondary School. Unfortunately one of our girls was unable to play and another was ill on the day! Lexie in year 5 courageously stepped in at the last minute to help the team out....thank you. The games were very intense with tight marking by all the teams. The team played well, showing good games values throughout the Competition. They came 5th. Well played team!

YEAR 3 & 4 TENNIS MATCH V BRILL

A team of 8 Year 3's and 4's played in a tennis match against Brill School on the Long Crendon Tennis Club courts last Friday. It was lovely to see so many youngsters enjoying tennis and showing such skill! Many thanks to Dan Antony for organising the games and to the Tennis Club for allowing us to use their courts.

Long Crendon won 33 games, Brill won 5. A convincing win to Long Crendon on this occasion!

Year 2's Great Fire of London Day!

Last Monday year 2 went back in time to 1666 to the day the Great Fire of London started. Through drama, the children learnt what life was like and what people did when the fire spread. During the day year 2 were apprentices, trying out different trades such as candle making, weaving and leather work. Then in the afternoon they did an archaeological dig to find out what happened to the houses of the traders.
