WALK TO SCHOOL WEEK MAY 20th – 24th

Next week is national Walk to School Week and you can celebrate by wearing crazy socks to walk to school every day from Tuesday 21st May to Friday 24th May. Odd socks, colourful socks, bright socks – put them on and get walking. There has been much awareness of climate change in the news lately and this is something we can do to make a difference. It really does make a difference to the air quality, improves congestion and road safety around the school gate and increases exercise and alertness naturally. It was interesting in the comments from the last school survey that families particularly highlighted the chance to walk and chat together with family and friends. Our Junior Road Safety Officers in Year 6 will be giving out brightly coloured stickers to compliment those socks too.

Wear your smartest uniform on Monday, please!

On Monday afternoon, weather permitting, we hope to have a whole school photograph taken featuring as many of the children as possible and we would be very grateful if all the children could come into school looking super smart!

Please don't forget to use [easyfundraising.co.uk](https://www.easyfundraising.co.uk) when you order online to earn funds for our school!

As a maintained school, from time to time we may carry signposting information about organisations offering goods or services that may be of interest to members of the community. This is a community service and does not constitute an endorsement of the goods or services by the school.

We've got lots of small events coming up before the Summer holidays so if you're able to help serve refreshments at Sports Day, the Leavers Assembly, Summer Concert or other event, let your Class Rep know. I'm sure they'll be sending out emails in due course.
