

Maths

Fractions
Time
Subtraction
Money
3D shapes
(cracking x tables)

History

We will be looking at the events of The Great Fire of London and learning about the people famous during this time.

Great Fire of London Day (Monday 2nd March)

English

We will link our English to our topic. Our writing will be linked to Vlad and The Great Fire of London.

Reading: Reading skills will be taught during our class reading sessions

Spelling: A spelling rule will be taught each week. See the long term map on our class page

Science

Our focus this half term will be on materials linking to our history topic where possible. The children will learn to identify and compare the suitability of everyday materials and find out how shapes of solid objects made from some materials can be changed by applying forces

Fire! Fire!
Spring 2 2020

Values

February: Honesty

March: Resilience

P.E

Badminton and tag
rugby

RE

How should the church
celebrate Easter?
