Re. Pupil Premium Entitlement Information

Dear Parents and Guardians,

I am writing to you to ensure all parents/carers are aware that there is additional funding allocated to some groups of children/young people referred to as Pupil Premium.

The Pupil Premium is an allocation of additional funding provided to schools to support specific groups of pupils to ensure they are given every opportunity for success. These include pupils who:

- are or have been entitled to free school meals over the past six years,
- families who receive some benefits including: income support, child tax credit, working tax credit, universal credit
- are looked after by a local authority
- have previously been looked after by a local authority
- are children of armed service personnel.

Previously Looked After Children includes those children who are adopted, subject to Special Guardian Order (SGO) or subject to a Care Arrangement Order (CAO).

All schools are required to report on how the monies received will be spent to support pupils to have successful outcomes within their educational settings. Once the funding has been used schools will be reporting upon the impact.

If you think your child may meet the above criteria and in order for the school to access this funding we would be grateful if you could contact myself or Mrs Leith in the Office in confidence to discuss this.

The contact details are: Mrs Leith office@longcrendon.bucks.sch.uk or myself lcsheadteacher@longcrendon.bucks.sch.uk phone number: 01844 208 225

Please do not hesitate to contact me if you have any queries about this or any other educational matter.

Yours sincerely,

Polly Quinton
