

Long Crendon News

Our values this half term are Resilience and Determination

Please don't forget to use easyfundraising.co.uk and earn funds for our school!

Autumn Term Issue 2 22nd September 2017

As a maintained school, from time to time we may carry signposting information about organisations offering goods or services that may be of interest to members of the community. This is a community service and does not constitute an endorsement of the goods or services by the school.

Dear Parents/Carers,

The children have settled in really well and it has been a very productive start to the term. Thank you to everyone who attended the PTA AGM and the Meet the Team evening!

Very best wishes

Sue Stamp

MONOPOLY GO CLUB

We have the opportunity to run a Monopoly Club, with free games provided. Are there any parents who might be willing to supervise a weekly lunchtime club if we are able to get the offer?

PERSPEX TUBE NEEDED

The School Council are looking for a Perspex/Acrylic tube, approximately 20 – 30cm in diameter by 1 – 2 metres long to enable them to make a tree trunk for a fundraising effort they are planning. If you have one you can spare, please contact the school office.

Thank you!

LOST PROPERTY

Already we have lots of un-named, brand new lost property! Please make sure your child's possessions are named and check the lost property bin in the glass corridor for missing items.

Having submitted our Action Plan, initiatives completed and impact, we have just been awarded the Gold Level again from the national school travel authority. In the first newsletter this month, the survey results from July were noted. Next month will be Walk to School week. The School Travel Plan Group meet termly to plan initiatives and organise them in school. We are always looking for new members and would welcome you to attend our next meeting at school this coming Monday 25th September from 12.15-1.15pm. Please contact Helen Smith via the School Office for further details.

DROP OFF ARRANGEMENTS

The new drop off arrangements are working really well and have resulted in our being much more able to control who is in school for safeguarding reasons, as well as the children being in class and ready to work much sooner. This is just a brief reminder of how the new system works:

KS2 children make their own way from the glass corridor to the cloakrooms

Parents wishing to visit the office go round to the main entrance rather than using the corridor past the KS2 cloakrooms.

KS1 parents who are still on site at 8.55 are asked to use the exit by the Year 2 classroom, rather than walking through school. Please make sure that you close this door behind you when you leave.

One more ask, please- if you are taking children to Pre School as well as into the school, could you please drop off the school children first!

Thank you everyone for your co-operation in this.

Modeshift Stars Gold Re-accreditation

APPLE PRESSING

Apples and Pears Wanted for Juicing

It's our traditional apple pressing day on October 6th. The children enjoy using a real apple press to make juice that they can taste - any spare juice is then bottled and sold. If you can help for about a couple of hours on this day, please let Mrs Rea know via the school office. We are asking everyone to bring in any apples or pears for juicing, windfalls are fine. Please leave these in the bins on the grassed area in front of the glass corridor from Monday 2nd October.

DIARY DATES

SEPTEMBER

Tues 26th PTA Meeting 7pm
Fri 29th Parent Council Meeting 2pm

OCTOBER

Mon 2nd Y3 trip to Cadburys World
Tues 3rd Info evening for Foundation Class 7pm
