Spring Term 11th January 2019

As a maintained school, from time to time we may carry signposting information about organisations offering goods or services that may be of interest to members of the community. This is a community service and does not constitute an endorsement of the goods or services by the school.

Dear Parents/Carers,

I'd like to give a big thank you this week to Thomson Reuters, who have very kindly donated £800 to the school through Sarah Hassan. Thanks also to Sarah for sourcing the funding for us.

Staff have been talking about Values this week and we hope to launch some new ideas and initiatives next week – watch this space!

Very best wishes

Sue Stamp

SPORTS UPDATE

We have lots of Festivals this term. The Year 3/4 Basketball team played in a Festival last Tuesday at a Secondary School in Winslow. There were 11 schools taking part, both girls and boys. The play was fast and the children did well changing quickly from attack to defence and vice versa. They also showed the values of the Games in both the way they played and in their behaviour.

The team did tremendously well coming 1st! Well done to all of them :)
